THEN WHAT ELSE ?

How do we grow and improve on this, at scale

AVOID THE DARK SIDE OF AGILE

- rituals without value
- technical excellence without business focus
- isolated teams without ecosystem

SHARE FOOD

- Eat together
- Celebrate together
- Grow relationships

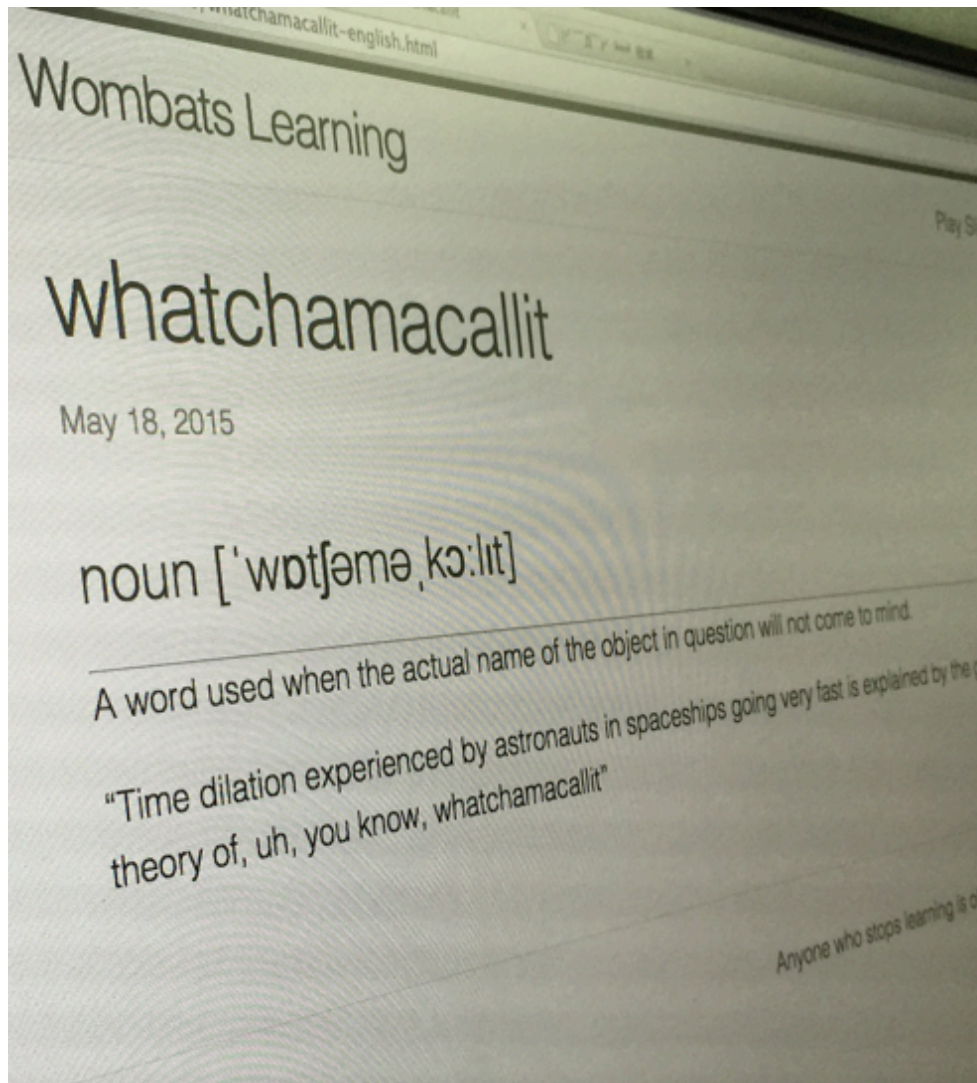

Distributed Bake-Less Snacks

Ingredients

- 1 packet Arnotts "Marie" biscuits
- 2-3 tablespoons cocoa
- 2 cups desiccated coconut
- 1 tin condensed milk
- hundreds and thousands
- 2 bowls, 1 spoon
- distributed team

Method

- crush biscuits into small pieces in bowl
- mix in cocoa and coconut
- stir in the condensed milk to create a thick mixture
- using hands, roll into small balls and dip into hundreds and thousands
- refrigerate for 15 minutes
- share and eat together!

SHARE LANGUAGE

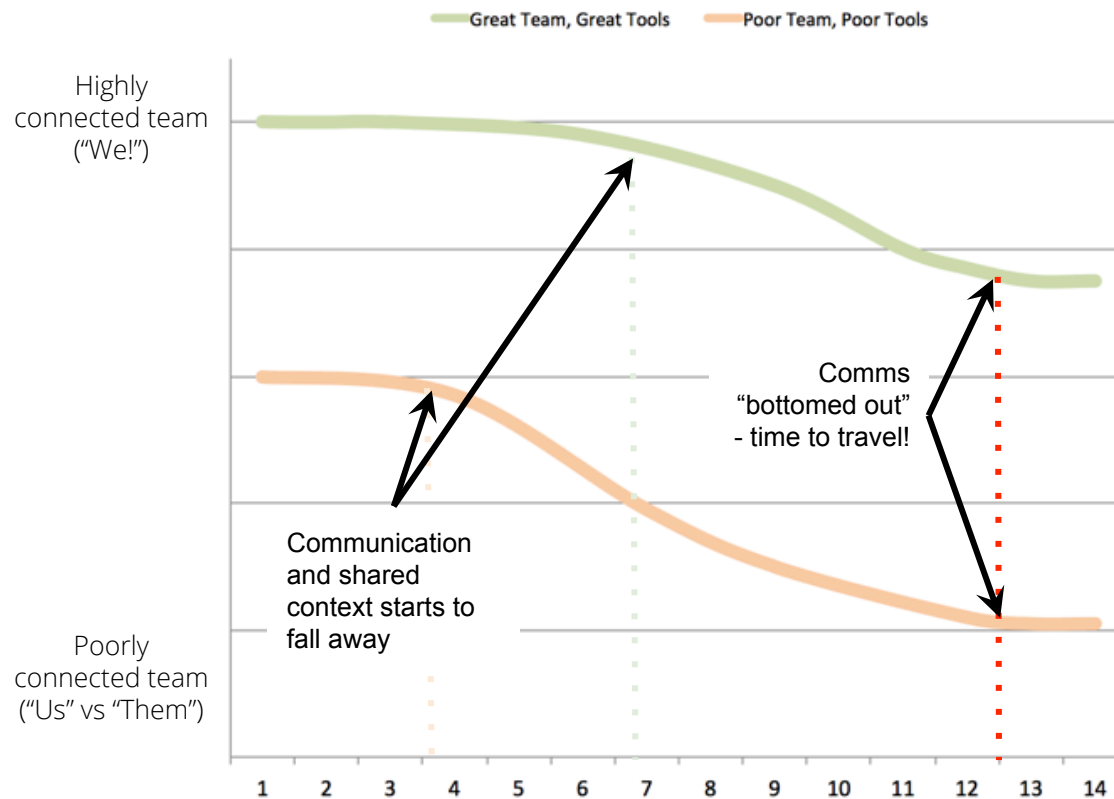

- Team building opportunity
- Ice breaker

SHARE LANGUAGE

- Team building opportunity
- Ice breaker
- Share both ways!

TRAVEL IS CRITICAL

- Kick off projects
- Grow relationships
- Drive productivity

The background image shows a person in a dark, futuristic suit with a helmet, standing in front of a wall of glowing digital panels. The panels are arranged in a grid and display various patterns of light and data. The overall atmosphere is dark and technological.

ISOLATED TEAMS WITHOUT ECOSYSTEM

On the Dark Side

FEATURE TEAMS - THE DARK SIDE

FEATURE TEAMS - THE OTHER SIDE

ECOSYSTEM: TEAM LEVEL

- Stretch leaders
- Share practices
- Drive peer pressure

FIXING YOUR DARK SIDE

- rituals with values
- technical excellence with business focus
- ecosystem of teams

PULL BASED LEARNING

Push

Make all we can just in case

Pull

Make what we need when we need it
