Domaingroup

Don't scale Agile. ‘Descale’ your organisation.

Stuart Bargon. Agile Product Lead @ Domain

Scaling agile approaches

Alignment

Organisation

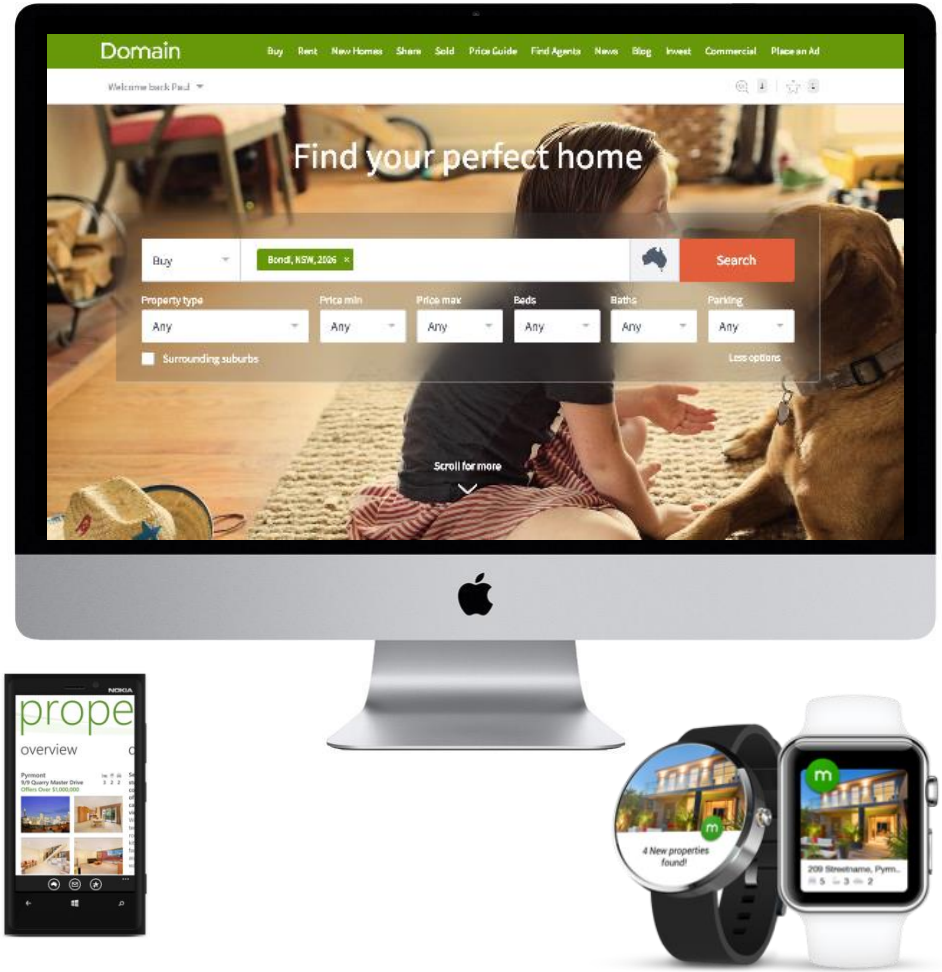
Consultants, Certifications & tools
Built in control
Do agile

Autonomy

Some examples but mostly ‘new’ companies
Built in resilience
Be agile

Domaingroup

Domain



Some History

- PMO
- Steering committees
- Long term resource planning
- Centralised functional teams
- Shared network resources
- Many different frameworks
- Days to do a release
- Volumes of policies
- Hot desking

'Cornubia' - Rich in style and tradition
Lifestyle - Flawlessly presented, 'Cornubia' boasts a stately Federation pedigree beautifully accentuated by original period features and stylish contemporary design. Its spacious two storey layout captures city skyline views while showcasing elegant living spaces, private outdoor entertainment areas and premium designer finishes. A superb retreat in a highly regarded setting, it is only one block to Darling Street boutiques, cafÃ©s and restaurants and enjoys rapid access to Sydney CBD
Accommodation - Rich in tradition, the formal double living room is enhanced by high ornate ceilings, antique gas fireplaces and parquetry floors. An extension beyond accommodates a casual living space and deluxe gas kitchen with high quality Caesar stone surfaces, European appliances and an island bench. Bi-folds reveal a wraparound deck crafted around soaring ornamental palms and upstairs,
